

## **REHABILITATION**

### **7283 WEBSTER CROSSING ROAD, SPRINGWATER**

The Livingston County Land Bank acquired this single-family residence through a real estate transaction in 2019. In 2020, the Land Bank entered into an agreement with the Livingston County Chapter of Habitat for Humanity for the rehabilitation of the property, whereby Habitat used its volunteer force for the rehabilitation and the Land Bank provided funding to purchase materials. Habitat's crew completed the rehabilitation in 2021 and sold the property to a qualifying family later that same year.
